God wants us to be filled with hope and trust, not fear.

Life is filled with peaks and valleys, calm waters and rough seas. It is during the difficult times that we often find ourselves lonely and afraid, but then a trusted friend takes our hand and reassures us that everything is going to be okay. Catholic Charities for many, is that trusted friend. We meet clients where they are and help them navigate through life's challenges.

Your financial commitment to Catholic Charities Annual Campaign demonstrates your support for what we do and gives us the confidence that we need to fulfill our mission. Thank you for making a difference. Click on the donate button to give today!
