

Dear Friends of Pickett's Corner,

As we close the 2025 year at Pickett's Corner, our team wants to express our deepest gratitude to you and acknowledge what a blessing you are to those we serve.

Because of your generosity, compassion, and willingness to give, we were able to distribute **433 bikes in 2025**—changing 433 lives in the process. Since we began this mission in 2023, together we've provided **1,138 bikes** to individuals in need. Each bike became more than transportation; it became a tool for independence, joy and a new opportunity. **You made that possible.**

Here are just a few stories that reflect the impact of your support:

*"This bike is perfect. I got a job, but it's a 30-minute walk after I get off the bus. Now, I can bring the bike on the bus and ride just 10 minutes. I can take a later bus, get more rest, and not worry about being late."*

*"I wanted to thank you for giving me a bike two years ago. I saved enough money from my job to buy a car. I gave my bike to the new guy at the halfway house and told him how it helped me."*

Your support makes you more than donors—you are true partners in this mission and a blessing to those we serve. Your blessing is also spreading beyond Parish Kitchen. We are now partnering with Homeless Veterans, Lord's Gym. As we prepare to restart the bike program next spring, we hope you'll continue to help us spread the word so even more bikes, a.k.a. "blessings with wheels", reach those who need them most. If you have bikes to donate, email us at **pickettscorner23@gmail.com** with your name, address, and phone number, and we'll gladly arrange pickup.

Thank you for believing in Pickett's Corner and for sharing your kindness with our community. Wishing you and your loved ones a warm, safe, and blessed Christmas!

With gratitude,

**The Pickett's Corner Team**
